SECTION 1 – INTRODUCTION

This directory provides a list of SCAN Health Plan's network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

This Provider Directory is for the following plans: SCAN Classic (HMO), SCAN Venture (HMO), SCAN MyChoice (HMO), SCAN Balance (HMO C-SNP), SCAN Strive (HMO C-SNP) and SCAN Embrace (HMO-POS I-SNP).

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP, and your PCP will also coordinate the rest of the covered services you get as a member of our Plan. For example, we recommend that you consult with your Primary Care Provider if you feel that you need specialty care. Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our Plan.

Even though your PCP will coordinate all your health care needs, there may be times when he or she feels you need more specialized treatment. In that case, you must receive a written referral to see a specialist from your PCP. Once your PCP's referral request is approved, an appointment can be made with the specialist. Be careful not to receive care from a specialist without a written referral from your PCP, because if you do, you may be responsible for payment of those services.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory however, some services may require a referral.

If you get a bill for a covered service from a contracted or non-contracted provider, you may submit the bill to us for payment. We will pay for our share of the bill and will let you know if you must pay any cost-sharing. However, if you have already paid for the covered services, we will reimburse you for our share of the cost.

For more details, please refer to your *Evidence of Coverage*, Chapter 2 – Important phone numbers and resources and Chapter 7 – Asking us to pay our share of a bill you have received for covered medical services or drugs.

"Emergency Care": Our Plan covers emergency services, whether or not they are provided by a contracted network provider. If you have a medical emergency, get help as quickly as possible. Call "911" for help or go to the nearest emergency room, hospital, or urgent care center. Call for an ambulance if you need it. You **do not** need to get approval or referral first from your PCP.

- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call Member Services to tell us about your emergency care, usually within 48 hours. You should also have someone telephone your PCP at the number listed on your membership card as soon as reasonably possible.
- After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan.
- If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.
- Emergency care can always be obtained in or out of the service area from the nearest available provider. You do not need to get approval or a referral first from your PCP.

"Urgently Needed Care": Urgent Care is a non-emergency situation when you need medical care right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger.

- Our plan covers urgently needed care as long as the care you receive meets the definition of "urgently needed care" given above.
- **Urgent Care:** When in the service area, you must use plan providers for urgent care. When outside of the service area, urgent care may be obtained from the first available provider.
- **Dialysis Care:** In addition, when outside of the service area, you can obtain dialysis treatment from any qualified provider.

For more details, please refer to your *Evidence of Coverage*, Chapter 3 – Using the plan's coverage for your medical services.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor SCAN Health Plan will be responsible for the costs.

What is the service area for SCAN Classic (HMO), SCAN Venture (HMO), SCAN MyChoice (HMO), SCAN Balance (HMO C-SNP), SCAN Strive (HMO C-SNP) and SCAN Embrace (HMO-POS I-SNP)?

The counties in our service area is listed below. Please refer to the *Evidence of Coverage* for a listing of your plan's service area.

Maricopa, Pima and Pinal counties.

How do you find SCAN Health Plan providers in your area?

The Primary Care Providers (PCPs) in this directory are listed by city. You will find the Plan Specialist listing includes both Medical Group affiliation and Specialty. When choosing your PCP, it is best to choose one whose practice (office) is close to your home, or close to the home of your caregiver or relative who assists you.

Note: Depending on whom you have chosen as your PCP, you may be limited as to the specialists you may see. You will only be able to see specialists who are affiliated with your contracted Medical Group or IPA. When you are admitted to a hospital, your care may be coordinated by a hospitalist.

For more details, please refer to your *Evidence of Coverage*, Chapter 3 – Using the plan's coverage for your medical services.

If you have questions about SCAN Health Plan or require assistance in selecting a PCP, please call our Member Services Department at 1-855-650-7226, 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. SECCIÓN 1. INTRODUCCIÓN

Este directorio proporciona una lista de los proveedores de la red de SCAN Health Plan. Para obtener información detallada sobre su cobertura de atención médica, consulte su *Evidencia de cobertura (EOC)*.

Este Directorio de proveedores es para los siguientes planes: SCAN Classic (HMO), SCAN Venture (HMO), SCAN MyChoice (HMO), SCAN Balance (HMO C-SNP), SCAN Strive (HMO C-SNP) y SCAN Embrace (HMO-POS I-SNP).

Tendrá que elegir uno de nuestros proveedores de la red que aparece en este directorio para que sea su **p**roveedor/a de **a**tención **p**rimaria (PCP). Normalmente tiene que obtener sus servicios de atención médica de su PCP.

Su PCP es un/a médico/a que cumple los requisitos estatales y está capacitado para ofrecerle atención médica básica. Usted recibirá su atención de rutina o básica de su PCP, y su PCP también coordinará el resto de los servicios cubiertos que usted reciba como miembro de nuestro plan. Por ejemplo, recomendamos que consulte con su proveedor/a de atención primaria si cree que necesita atención especializada. Además de proporcionarle gran parte de la atención que usted recibe, su PCP arreglará o coordinará el resto de los servicios cubiertos que se le presten como miembro de nuestro plan.

Aunque su PCP será quien coordine todas sus necesidades de atención médica, es posible que en ocasiones determine que usted necesita un tratamiento más especializado. En ese caso usted debe recibir de su PCP una recomendación por escrito para consultar con un especialista. Una vez aprobada la solicitud de recomendación de su PCP, puede hacer una cita con el especialista. Tenga precaución de no recibir atención médica de un especialista sin recomendación por escrito de su PCP, porque si lo hace es posible que sea responsable del pago de esos servicios.

Los proveedores de la red que aparecen en este directorio han aceptado brindarle sus servicios de atención médica. Puede acudir a cualquiera de nuestros proveedores que aparece en este directorio; sin embargo, algunos servicios pueden requerir una recomendación.

Si recibe una factura por un servicio cubierto de un proveedor contratado o no contratado, puede enviarlos la factura para que la paguemos. Pagaremos nuestra parte de la factura y le indicaremos si tiene que pagar algún gasto compartido. Si ya ha pagado los servicios cubiertos, le reembolsaremos a usted nuestra parte del gasto.

Para obtener más información, consulte en su *Evidencia de cobertura* el Capítulo 2: Números de teléfono y recursos importantes y el Capítulo 7: Cómo solicitar al plan que pague la parte que le corresponde de una factura que usted recibió por medicamentos o servicios médicos cubiertos.

"Atención de emergencia": Nuestro Plan cubre los servicios de emergencia, independientemente de si los ofrece o no un proveedor de la red contratado. Si tiene una emergencia médica, obtenga ayuda lo más pronto posible. Llame al "911" para recibir ayuda o vaya a la sala de emergencias, hospital o centro de atención de urgencia más próximo. Llame a una ambulancia si la necesita. **No** es necesario que primero obtenga la aprobación o una recomendación de su PCP.

- Tan pronto como sea posible, asegúrese de avisar al plan acerca de la emergencia. Necesitamos hacer el seguimiento de la atención de emergencia que reciba. Usted y otra persona debería llamar a Servicios para Miembros y comunicarnos la atención de emergencia que ha recibido, normalmente dentro de un plazo de 48 horas. Alguien debería llamar también a su PCP al número que aparece en su tarjeta de identificación tan pronto como sea posible.

- Una vez pasada la emergencia, tiene derecho a recibir atención médica de seguimiento para asegurarse de que su afección sigue estable. El plan cubre la atención médica de seguimiento.
- Si recibe atención de emergencia por parte de proveedores fuera de la red, trataremos de que los proveedores de la red se hagan cargo de su atención tan pronto como su afección médica y las circunstancias lo permitan.
- Siempre puede obtener atención de emergencia dentro o fuera del área de servicio en el proveedor disponible más cercano. No es necesario que primero obtenga la aprobación o una recomendación de su PCP.

"Atención de urgencia": La atención de urgencia es una situación que no es de emergencia en la que necesita atención médica de inmediato debido a una enfermedad, lesión o afección que no esperaba ni anticipaba, pero en la que su salud no está en grave peligro.

- Nuestro plan cubre la atención de urgencia siempre que la atención recibida cumpla con la definición anterior.
- **Atención urgente:** Cuando esté en el área de servicio, debe utilizar los proveedores del plan para la atención urgente. Cuando esté fuera del área de servicio, puede obtener atención urgente del primer proveedor disponible.
- **Atención de diálisis:** Además, cuando esté fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado.

Para obtener más información, consulte en su *Evidencia de cobertura* el Capítulo 3: Cómo utilizar la cobertura del plan para sus servicios médicos.

Debe utilizar los proveedores de la red excepto en situaciones de atención de emergencia o urgencia, o para diálisis renal fuera del área u otros servicios. Si recibe atención médica de rutina de proveedores fuera de la red, ni Medicare ni SCAN Health Plan serán responsables por los costos.

¿Cuál es el área de servicio para SCAN Classic (HMO), SCAN Venture (HMO), SCAN MyChoice (HMO), SCAN Balance (HMO C-SNP), SCAN Strive (HMO C-SNP) y SCAN Embrace (HMO-POS I-SNP)?

¿Cómo encontrar proveedores de SCAN Health Plan en su área?

Los proveedores de atención primaria (PCP) de este directorio aparecen enumerados por ciudad. Encontrará que la lista de especialistas del plan incluye tanto la afiliación a grupos médicos como la especialidad. Al elegir su PCP, es mejor que elija uno cuyo consultorio (oficina) esté cerca de su hogar, o cerca del hogar del cuidador o del familiar que le ayuda.

Nota: Dependiendo de quién haya elegido como PCP, es posible que tenga limitados a qué especialistas puede acudir. Solo podrá acudir a los especialistas afiliados con su grupo médico o asociación de médicos independientes (IPA) contratados. Cuando lo ingresen en un hospital, su atención médica puede estar coordinada por un hospitalista.

Para obtener más información, consulte en su *Evidencia de cobertura* el Capítulo 3: Cómo utilizar la cobertura del plan para sus servicios médicos.

Si tiene preguntas sobre SCAN Health Plan o necesita ayuda para seleccionar un/a PCP, llame a nuestro Departamento de Servicios para Miembros al 1-855-650-7226, de 8:00 a. m. a 8:00 p. m., los 7 días de la semana, del 1 de octubre al 31 de marzo. Cuando no atendemos, usted tiene la opción de dejar un mensaje (los mensajes recibidos durante los días feriados y fuera del horario de atención se responderán en el plazo de un día hábil). Los usuarios de TTY deben llamar al 711. También puede consultar el sitio web www.scanhealthplan.com.

SECTION 8. INTRODUCTION

This booklet provides a list of SCAN Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and SCAN Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under SCAN Health Plan only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverag**e***.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of May 2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with ★ to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this pharmacy directory.

This directory is for Maricopa, Pima and Pinal counties including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services, at 1-855-650-7226 or, for TTY users, 711, 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m. Monday through Friday (messages received on holidays and outside of our business hours will be returned within one business day), or visit www.scanhealthplan.com.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact SCAN Health Plan.

SCAN Health Plan is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal.

The pharmacy network and/or provider network may change at any time. You will receive notice when necessary.

SECCIÓN 8. INTRODUCCIÓN

Este folleto proporciona una lista de las farmacias de la red de SCAN Health Plan. Para obtener una descripción completa de su cobertura para medicamentos con receta, incluido cómo surtir las recetas, revise la *Evidencia de cobertura* y el formulario de SCAN Health Plan.

Llamamos a las farmacias de esta lista nuestras "farmacias de la red" porque hemos hecho arreglos con ellas para proporcionar medicamentos con receta a las personas inscritas al plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por SCAN Health Plan solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Basta con que vaya a una sola vez a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, pero puede cambiar a cualquier otra farmacia de nuestra red. Surtiremos los medicamentos con receta en farmacias fuera de la red en ciertas circunstancias, tal como se describe en su *Evidencia de cobertura*.

Es posible que no todas las farmacias de la red figuren en este directorio. Después de imprimirse este directorio, pueden haberse añadido o eliminado farmacias. Esto significa que es posible que las farmacias que figuran en este directorio ya no pertenezcan a nuestra red o que haya farmacias más nuevas en nuestra red que no figuren en este directorio. Esta lista está vigente a partir de mayo de 2025.
Contáctenos para obtener la lista más actualizada. Nuestra información de contacto aparece en las páginas de portada y contraportada.

Puede ir a todas las farmacias de esta lista, pero los costos de algunos de sus medicamentos pueden ser menores en las farmacias de esta lista que ofrecen gastos compartidos preferidos. Hemos marcado estas farmacias con (★) para distinguirlas de otras farmacias de nuestra red que ofrecen gastos compartidos estándar.

Puede solicitar que se le envíen los medicamentos con receta a su hogar a través de nuestro programa de entrega de pedidos por correo de la red. Para obtener más información, contáctenos o consulte la sección de pedido por correo de este directorio de farmacias.

Este directorio es para los condados de Maricopa, Pima y Pinal, que incluye el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande y hay más farmacias donde sus recetas pueden estar cubiertas por nuestro plan. Para obtener información acerca de más farmacias en nuestra red del plan que no figuran en este directorio, llame a los Servicios para Miembros al 1-855-650-7226 (los usuarios de TTY deben llamar al 711) de 8 a. m. a 8 p. m., los 7 días de la semana, del 1 de octubre al 31 de marzo. Del 1 de abril al 30 de septiembre, el horario es de 8:00 a. m. a 8:00 p. m., de lunes a viernes (los mensajes recibidos en días feriados y fuera del horario de atención se responderán en el plazo de un día hábil). También puede visitar www.scanhealthplan.com.

Si tiene preguntas acerca de cualquiera de los temas anteriores, consulte la primera y última página de este directorio para obtener información sobre cómo comunicarse con SCAN Health Plan.

SCAN Health Plan es un plan HMO con un contrato de Medicare. La inscripción en SCAN Health Plan depende de la renovación del contrato.

La red de farmacias o la red de proveedores pueden cambiar en cualquier momento. Recibirá un aviso cuando sea necesario.

Mail-order Pharmacies

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts Pharmacy[SM] is our mail-order pharmacy that offers preferred cost-sharing. While you can fill your prescription medications at any of our network mail-order pharmacies, you may pay less for certain drugs at the mail-order pharmacy that offers preferred cost sharing.

If you have used mail-order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. If you never had mail-order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-855-650-7226, 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m. Monday through Friday, messages received on holidays and outside of our business hours will be returned within one business day. TTY users call 711.

Express Scripts Pharmacy[SM] es nuestra farmacia de pedido por correo que ofrece gastos compartidos preferidos. Si bien puede surtir sus medicamentos con receta en cualquiera de las farmacias de pedido por correo de nuestra red, pagará menos por determinados medicamentos en una farmacia de pedido por correo que ofrece gastos compartidos preferidos.

Si usted ha utilizado los servicios de pedidos por correo con su plan actual anteriormente o si opta por ellos ahora, nuestra farmacia automáticamente surtirá y enviará las nuevas recetas recibidas directamente de sus médicos u otros proveedores. Puede optar por no recibir automáticamente las nuevas recetas en cualquier momento comunicándose con nosotros al teléfono 1-866-553-4125, las 24 horas del día, los 7 días de la semana. Los usuarios de TTY deben llamar al 711. Si usted nunca utilizó el servicio de entrega de pedidos por correo o decide interrumpir el surtido automático de nuevas recetas, nos comunicaremos con usted cada vez que recibamos una nueva receta de un proveedor para verificar si desea que le surtan y envíen el medicamento.en ese momento. Esto le dará la oportunidad de asegurarse de que se le entregue el medicamento correcto (concentración, cantidad y presentación) y, cuando sea necesario, le permitirá cancelar o retrasar el pedido antes de que se le facture y se le envíe.

Para los resurtidos de sus recetas de pedido por correo, tiene la opción de inscribirse en un programa de resurtido automático. En este programa, comenzaremos a procesar su próximo resurtido automático cuando nuestros registros muestren que usted debería estar a punto de quedarse sin su medicamento. Nos contactaremos con usted antes de enviar cada resurtido para asegurarnos de que necesita más medicamentos. Usted puede cancelar los resurtidos programados si tiene una cantidad suficiente de su medicamento o si su medicamento ha cambiado. Si decide no utilizar el programa de resurtido automático, contáctenos con 14 días de anticipación cuando considere que los medicamentos que tiene disponibles se le acabarán, para asegurarse de que el próximo pedido se le envíe a tiempo. Para optar por no participar en el programa de resurtido automático, comuníquese con nosotros al teléfono 1-866-553-4125, las 24 horas del día, los 7 días de la semana. Los usuarios de TTY deben llamar al 711.

Por lo general, debería recibir sus medicamentos con receta dentro de los 14 días a partir del momento en que la farmacia de pedido por correo reciba la solicitud. Si no recibe sus medicamentos con receta dentro de este plazo, comuníquese con nosotros al 1-855-650-7226, de 8:00 a. m. a 8:00 p. m., los 7 días de la semana, del 1 de octubre al 31 de marzo. Del 1 de abril al 30 de septiembre, el horario es de 8:00 a. m. a 8:00 p. m., de lunes a viernes. Los mensajes recibidos en días festivos y fuera del horario de atención se responderán en el plazo de un día hábil. Los usuarios de TTY deben llamar al 711.
